Cambridge Air Solutions Rebate for Liberty Commercial Gas Customers

PROGRAM DETAILS:

Rebate available January 1, 2023 to December 31, 2023.

Applies to Liberty gas customers who purchase and install a qualifying Cambridge Air Solutions product (specific models), between 1/1/2023 and 12/31/2023.

Original, fully completed forms only. Incomplete forms are not accepted. Forms/invoices must be postmarked by 1/15/2024 to receive rebate. Rebate check will be made payable and sent directly to the business/purchaser of the Cambridge Air Solution product. Rebate cannot be combined with any other Cambridge Air Solution sponsored incentives or offers.

Cambridge Air Solution recommends all customers work with their Liberty Energy Efficiency Program Manager (if available) in you region to identify potential energy efficiency rebates and incentives that may also be available. For more information contact:
