Dear Ms. Légère:

Re: Enbridge Gas New Brunswick - Application to Change Distribution Rates

Please find enclosed 13 copies of an Application by Enbridge Gas New Brunswick (“EGNB”) to change its SGSRE, SGSRO, GS, CGS, LFO, HFO, OPS, CLVOPS and NGVF distribution rates and evidence in relation to the Application. EGNB is submitting this application in accordance with the market-based methodology for setting distribution rates that was approved by the Board in its May 26, 2009 decision and clarified in its April 30, 2010 decision.

I am also enclosing a draft Order and Notice (in English and French) for the Board’s consideration.

If you have any questions or require additional information, please let me know.

Sincerely,

Dave Charleson
General Manager
