Dear Mr. Harrington:

Re: Enbridge Gas New Brunswick (EGNB) – Rate Riders  
Board Reference: 208-02-04

---

EGNB filed an application, on January 26, 2007, for approval of Revenue Adjustment Rate Riders (“Rate Riders”) that would reduce the delivery rates for General Service and Contract General Service as follows:

	Current Rate (\$/GJ)	Rate Rider (\$/GJ)	Proposed Rate (\$/GJ)
General Service	\$7.1820	\$1.50	\$5.6820
Contract General Service	\$5.8919	\$0.90	\$4.9919

EGNB requested that these changes become effective on February 1, 2007. Normally, the Board requires that notice of proposed Rate Riders be filed with it and all marketers at least two weeks before the proposed effective date. Further, the Board generally provides EGNB and the marketers with at least one week’s notice prior to the effective date.

EGNB has contacted all of the marketers, who currently have customers in New Brunswick, and they have agreed to waive the notice requirements in this particular case. With that agreement in mind together with the fact that this change will provide lower rates the Board considers that its normal notice requirements should be waived in this case.

Mr. Andrew J. Harrington, P. Eng.

The Board therefore approves the Rate Riders as requested by EGNB with an effective date of February 1, 2007.
